

	Customer information on the REACH regulation		QUA DOC 2007
	Up-to-date version : 2023/01/17	Page 1/1	Rév. 01

Dear Madam, Dear Sir,

The REACH regulation 33 article requires that : *Any supplier of an article containing a substance meeting the criteria in Article 57 and identified in accordance with Article 59(1) in a concentration above 0,1 % weight by weight (w/w) shall provide the recipient of the article with sufficient information, available to the supplier, to allow safe use of the article including, as a minimum, the name of that substance ».*

In accordance with informations available to this day on :

- Our manufacturing processes ;
- Information obtained from our raw material suppliers and our subcontractors ;
- The standards applicable to our products.

I, the undersigned, **Vincent LATIMIER, Quality Manager**, in the company **ACIM JOUANIN**, declares that the following articles, and their packaging,

Sold to your company, during the current calendar year, **do not contain** substances of very high concern (included on the ECHA candidate list on **2023/01/17**), at a concentration above 0.1% by weight/weight.

A substance of very high concern as defined as a substance classified carcinogen, mutagen or reproductive toxicant, category 1A or 1B, or a persistent substance, bioaccumulative and toxic or very persistent and very bioaccumulative, or a substance with an equivalent level of concern and included on ECHA candidate list.
